IS IT FOR YOU?

1 Digital Nomads

Individuals who work remotely and travel frequently, attracted by the Mediterranean climate, lifestyle, and cultural experiences.

2 Tech Professionals

Developers, engineers, IT specialists, and other tech professionals seeking to network, enhance their skills, and explore innovative opportunities within the dynamic Mediterranean tech scene.

3 Startups and Entrepreneurs

Founders and team members of startups looking to connect with talented tech professionals, gain visibility, attract potential investors or partners, and explore the benefits of setting up base in the dynamic Mediterranean climate.

4 Recruiters and HR Professionals

Riding the wave of a trending topic can help you get more views and engagement.

5 Remote Work Enthusiasts

Individuals passionate about remote work, flexible lifestyles, and the benefits of working from different locations around the Mediterranean.

6 Expatriates and Relocation Seekers

Individuals and families considering relocation to Mediterranean cities, looking for information on legal, taxation, and lifestyle aspects.

REASONS TO JOIN

Networking Opportunities

Connect with a diverse group of professionals, recruiters, startups, and industry leaders to build valuable relationships.

Skill Development

Access to workshops and training sessions on the latest tools, technologies, and trends in remote work, tech, and entrepreneurship.

Career Advancement

Explore job opportunities, meet potential employers, and get insights into the skills and qualifications needed to advance in the tech industry.

Startup Exposure

Startups can showcase their products and services, attract top talent, and connect with potential investors and partners.

Expert Insights

Gain valuable knowledge from keynote speeches and panel discussions featuring industry experts and successful entrepreneurs.

Cultural Experience

Enjoy the scenic beauty, culture, and hospitality of Alicante while participating in enriching activities and excursions.

Relocation Guidance

Information and support on legal, taxation, and relocation issues relevant to digital nomads and expatriates.

Innovation and Collaboration

Participate in brainstorming sessions and collaborative projects to develop innovative solutions and new ideas.

Personal Growth

Engage in activities and sessions focused on personal development, such as leadership training, career coaching, and work-life balance strategies.
